

Scandinavian Society for Biomaterials

1st and Establishing Meeting

5-6 May, 2008

Lyktan, Conference Centre Wallenberg,
Göteborgs Universitet

Monday 5 May

13.00 -13.20

Programme

Welcome docent Håkan Engqvist

13.20 –13.40

Scientific presentations

prof. Lars Magnus Bjursten, LU

“Past and present results in biomaterials research. Outlook”

13.40 -14.10

prof. Tomas Albrektsson, GU

“Biomaterial från experiment till klinisk verklighet”

14.10-14.30

Coffee

14.30 –15.00

prof. Jöns Hilborn, UU, “Tissue Engineering”

15.00 –15.30

prof. Bo Nilsson, UU, “Surface – Blood interactions”

15.30 –16.00

Coffee

16.00 – ca 17.30

General assembly, establishment of Scandinavian Society for Biomaterials (SSB) and election of the first board.

18.00 -

Dinner

Tuesday 6 May

08.30 - 08.50

cont. **Scientific presentations**

prof. Pentti Tengvall, LiU, “Biomaterials research at LiTH”

08.50 - 09.20

prof. Per Aspenberg, LiU, “Materials in Medicine”

09.20 – 09.50

docent. Håkan Engqvist, UU, “Injectable Materials”

09.50 – 10.10

Coffee

10.10 – 10.40

prof. Peter Thomsen, GU, “BiomatCell, VINN Excellence Center”

10.40 – 11.10

prof. Jukka Lausmaa, SP/GU, BiomatCell, VINN Excellence Center

11.10 – 11.40

prof. Fredrik Höök, CTH, “Lipids on sensors and cells”

11.40 – 12.00

Closing of meeting.

Posters are welcome.

Registration: due April 20, 2008, to Håkan Engqvist or Pentti Tengvall

Registration fee: 200 Skr. Paid at meeting site.
